

L76/2024

25 Sep 2024

Dear Parents,

PSLE Written Examination will commence tomorrow (26 Sep 2024). As reflected in the Term Calendar, P5 students will be placed on Home-Based Self-Directed Learning **from 26 Sep 2024 to 27 Sep 2024**. Our teachers have designed a mix of online and offline Home-Based Self-Directed Learning activities so that students are engaged in meaningful learning tasks and able to complete them independently with minimal assistance from parents.

The link to the Home-Based Self-Directed Learning Plan will be made available at our school website by 7.30am on 26 September 2024. The link can be found at our school website <https://www.zhenghuapri.moe.edu.sg/our-info-hub/useful-links/home-based-learning/>

The teachers are expecting all assignments to be submitted by the time students return to school on Monday (30 September 2024) morning. Students are expected to complete each assignment to the best of their ability, demonstrating their sense of responsibility and resilience. Please take time to listen and guide your child/ward to plan the use of their time. They need time for rest, learning and for meaningful play.

P5 students will need access to mobile learning devices to complete their SLS homework and reflection. Should your child/ward have little control over excessive use of these devices, it is highly recommended that they access to these mobile learning devices under your close supervision.

For matters relating to SLS log in, please call the General Office at 6769 7478 and approach Mrs Gavi (ext 526) or Mr Chan Hoe Yin (ext 582) for help from 8am to 4.30pm. Alternatively, you could also refer to the self-help guide on SLS website.

For all other queries, please call the General Office for help as all teachers will be busy with PSLE duties and will take a while to reply to you.

Thank you.

Regards,

ZHPS ICT Department
