ICT Teaching & Learning

- Digital Literacy & Technological Competencies (DLTC)
- Applied Learning Project
- Mobile Learning Trails
- Self-directed learning days (HBL)
- Self-study/research/Revision

- SLS is an online learning platform that aims to provide every student (from Primary to Pre-U) with equal access to quality, curriculum-aligned learning resources anytime and anywhere.
- With SLS, students can drive their own learning according to their own interests.

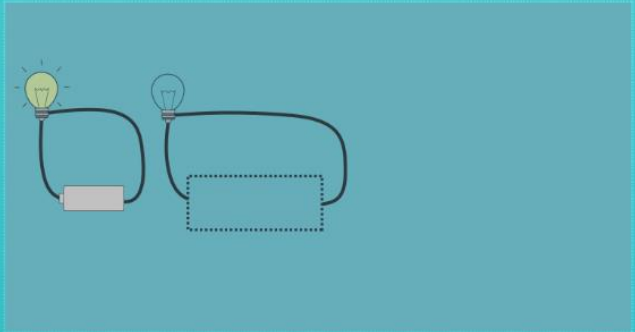

Resilience, Innovation, Integrity, Care, Collaboration and Excellence

What can your child do with SLS?

You can:

- **Revise** your subjects at home
- **Learn** with interactive:
 - ✓ lessons
 - ✓ simulations
 - ✓ quizzes
 - ✓ videos

How does the number of batteries affect the brightness of the bulb? 

Batteries

 Drag two batteries into the circuit.
Compare the brightness of the two bulbs.

MIMS Log-in

MIMS LOGIN ID and password

- Your child's/ward's login ID is your child's/ward's full_name@students.edu.sg
 - The Form Teachers will be giving the login ID and password to your child/ward.
 - Upon your first login, user will be prompted to set their Challenge Questions. *(It is important to set Challenge Questions as this allows user to do self-service password reset should user forget their passwords in the future)*
 - User may also be prompted to enter another email to facilitate future self-service password reset.
 - Please DO NOT enable "save password" on your personal devices to enable auto log-in. User will face difficulty when logging in to another device, for example our school laptops.
- Further details will be given to you via the Form Teachers when the Login IDs are ready.**

SELF-DIRECTED LEARNING IN ZHENGHUA PRIMARY SCHOOL

Sense of Responsibility
I ask questions and find solutions.
I seek help when I don't know something.
I complete my tasks to the best of my ability.

Sense of Curiosity
* I ask questions to understand why things happen and how things work. * I am interested to find out more about the world around me. * I am interested to explore new experiences and learn new things.

Ownership of Learning
I think about how I am learning.
I take steps to improve my learning.
I apply what I have learnt.

Extension of Learning

Resilience
I am not afraid to make mistakes. Mistakes help me learn.
I will try my best.

Reflectiveness
I complete my tasks to the best of my ability.
